**When weather conditions are deemed too hazardous for students and/or staff to travel to their schools, official notification of school closings will be relayed to parents, students and school personnel as soon as possible after 6:30am (and hopefully, prior to school busses leaving on their routes), via radio stations KSTC 1230AM, KNNG 104.7, KPMX 105.5FM and KOA 850AM Denver, and via Denver television channels 2, 4, 7 & 9.**

**It is requested that phone calls not be made to the radio or TV stations or the schools because phone lines will be overloaded with vital and necessary internal calls.**

**At such times, the best source for up-to-date information will be found on the above radio and TV stations. For more information during non-emergency times, phone .**
