**SUPERINTENDENT'S**

**REPORT:** Dr. DeLay outlined the District savings in the Year Three report from Honeywell. Once again savings were higher than anticipated. This partnership also allowed for Honeywell's assistance in writing the proposal for a \$340,000.00 school security grant the District has been awarded from the Department of Homeland Security and Emergency Management. This grant will be used to update the District security software and equipment and provide additional lighting and cameras at schools.
